

## *Are you interested in running a convention hospitality suite in 2012?*

The Hospitality suites operate throughout the weekend of Keycon on the 15th floor. If you are unfamiliar with them I strongly encourage you to check them out!

If you are interested in running a suite we would like to hear from you. Generally this process starts a year in advance when we try and find those who are interested. There are lots of people who can give you advice and perhaps even a few ideas.

## *The Process*

You tell us you want to run a suite, we take a \$100.00 deposit from you, get a brief idea of what you want to do, as well as your contact information.

Once this year's convention is over we will look at all the propositions received and figure out what mix of suites would present the best variety of theme, fun, or uniqueness for our convention members. We then tell the suites that get the green light (up to nine each year) to go ahead and keep planning, and we refund the others' deposits. The deposits we keep become non-refundable at this point.

Throughout the year leading up to Keycon we will keep in touch with the prospective suites, coordinate requirements and act as the main point of contact between the Hospitality Suites and the Convention Committee. If a suite drops out during this period we contact those suites that were turned down earlier in the year and see if any are still interested in stepping in. So don't give up if you do not make the first cut! Worst case your planning can be used for a future year.

*Giving people a place to sit for a spell.*

## *So what do you need to know?*

Find me at the current convention on the Sunday. I will be one of the guys roaming around in a kilt and will definitely be at both the WinSFA Senate meeting and Closing Ceremonies. Both of which are on Sunday. Also feel free to call me at (204) 294-5846. I will be only too happy to take your information and your deposit, or even just discuss with you the possibility of running a Hospitality Suite. I can also be reached at [hospitality2012@keycon.org](mailto:hospitality2012@keycon.org)

Fill out the back of this pamphlet and hand it to me or to another member of the 2012 convention committee.

## *The Official Consuite*

The Official Consuite is a particular hospitality suite each year. The Consuite has some additional requirements around operating hours, food served, and so on. In exchange for those concessions it also gets assistance from Keycon in covering operating expenses. Those interested in being the official Consuite should mention that in their application.
