He's not pinin'! He's passed on!

This parrot is no more! He has ceased to be!

He's expired and gone to meet his maker! He's a stiff!

Bereft of life, he rests in peace!

If you hadn't nailed him to the perch he'd be pushing up the daisies!

He's off the twig!

He's kicked the bucket, he's shuffled off his mortal coil, run down the curtain and joined the bleedin' choir invisible!

## A Word From The Chairs

Super..

Supercali..

Supercalifragil...

Excelsior!

It has been quite a journey down this yellow brick road to Keycon 36; Monty and Max and Vampyres, oh my! Across bridges guarded by Black Knights, deserts full of petrol hungry marauders, and even a non-sparkling creature of the night or two.

We are excited to bring you Tanya Huff, Carrie Vaughn, and Lee Moyer. Eagerly await trying our hands at the pinball, seeing the costumes you bring to the Masquerade and staying up all night long arguing our favourite captain.

Keycon is our favourite time of year. A time spent with the best family and friends a couple of nerds like us could ask for. So find us on the fifteenth floor and let us all make Keycon 36 one of the best ever!

Your Con Chairs,

# Keycon Code of Conduct

Keycon makes the provision of safety for all of its members paramount. Any action which threatens the safety of anyone during the convention by a convention member or by an outsider to a member of Keycon will be dealt with promptly. This may include: revoking of memberships, banning from future conventions, and police action where appropriate.

Keycon welcomes members from diverse communities. Any action that negatively targets individuals based on their gender, sexuality, race, creed, religion, etc., will **NOT** be tolerated.

Keycon expects its members to behave in a civilized fashion and to treat each other respectfully. Additionally, the hotel is not dedicated completely to our use for the weekend. Members of the general public stay in and visit the hotel to dine and socialize. Please be considerate of both attendees and non-attendees at all times.

## Harassment and Other Incidents

Harassment is **NOT** tolerated. Harassment is generally any behaviour that alarms or annoys another person or group. This includes: unwanted physical contact (including non-consensual hugs), following a person or group without a legitimate reason, threatening to physically attack someone or using hate speech. Some of these things can occur unintentionally, but persistent unwanted behaviour will be considered harassment.

If you are unsure if your presence or behaviour is wanted or appropriate, then ask, or stop and seek advice from someone else. If you approach someone and they tell you "no" or "leave me alone", your business with them is done. If you do not leave them alone as they have requested, then your behaviour becomes grounds for a harassment complaint. That you did not mean to alarm them in the first place no longer matters.

Please report any incidents in which a member of the convention is: abusive, insulting, intimidating, bothersome or acting in an unsafe or illegal manner. Keycon reserves the right to revoke, without refund, the membership of anyone for any reason, including harassment. Persons violating the law will be turned over to the police or hotel security.

Any assault is considered a criminal matter and will be treated as such.

## Reporting an Incident

All incidents and issues fall under the responsibility of Keycon Operations (Ops). Ops functions out of room 1510 and can be contacted 24 hours a day during the convention. A member of Ops and/or the volunteer committee will be available throughout the convention. Ops phone numbers are posted at the entrance to all elevators and in bathrooms throughout the convention space as well as on the door to 1510. Ops members will wear distinguishing emblems and will be easily identifiable.

If someone has become too boisterous or needs an escort to a room or taxi, these are the individuals to call. Ops will also respond to any incidents where this code of conduct has been violated. If you cannot find a member of Ops, we encourage you to seek out a member of the Convention staff (wearing convention committee ribbons on their badges), or the panel or hospitality room coordinator. These members will ensure that you are put in touch with Operations promptly.

When you report, please discuss the incident with Operations. If appropriate, they will attempt to resolve the issue informally, on-site. If that is not appropriate, they will ensure that you are in a safe place and resolve how best to proceed. If, for any reason, you cannot or do not wish to speak to a member of Ops, please speak to any Con-Comm member or Senator, and they will do their best to assist you in

seeking help. For more serious or on-going matters, or for matters that do not need to be resolved at the Convention, we will either write out a statement for you to approve and sign, or ask you to write out your own complaint.

If you are reporting after the Convention, or following-up an earlier complaint, the same general structure applies. Report to Operations, or to the Con-Chairs. If you are unsatisfied with the response from the Convention Committee, you can make a complaint to the WinSFA Senate for reconsideration.

Members of the Convention staff will respond and intervene in the event of a sexual assault and to protect your rights. If this occurs, we encourage you to report the assault as soon as possible afterwards. A member of the convention will ensure that you are safely escorted to the police or hospital of your choosing and without judgement.

Please note that Keycon staff only have a responsibility to respond to incidents that occur on Convention space. That means: in the hotel, in programming or common space, and on the 15th floor activity space. It does not include private hotel rooms. We cannot be responsible for private disputes between people that occur around the Convention. However, we are prepared to assist anyone in need. We also reserve the right to take any appropriate steps involving anyone whose attendance at Con may endanger the well-being of other members, including removing them from the Convention or contacting the appropriate authorities.

Keycon's policies have been designed to ensure the safety and comfort of all Members attending each year. Please remember that membership in the Convention in no way supersedes the law. For more information about Keycon and its policies please visit the WinSFA page.

## Convention Policy

### Badge Policy

Badging will be in effect in all areas of the Convention and at all times. This means that you must wear your badge from Opening Ceremonies until the end of the Dead Dog. You will also be required to show a valid government issued Photo ID for adult-oriented panels and Hospitality suites. If you lose your badge you will need to purchase a replacement from the Registration Desk.

Replacement Badge Pricing:

1st Replacement – \$15.00 (Fifteen Dollars)

2nd Replacement – Full Membership Price

Badges are non-transferable. Persons found trading or sharing badges will have their membership(s) revoked without refund.

Anyone caught in the Convention activity spaces including the 15th Floor without a badge (Ghosting) will be asked to produce their badge or leave the Convention held areas.

### Weapons and Accessories Policy

Keycon has for a long time enjoyed a history of accessorized costumes with next-to-no safety accidents or incidents. Let's work together to keep it that way for everyone's enjoyment.

You are responsible for your accessories.

Watch where your bow or staff is pointing to keep the ankle bruising and noggin-knockin' to a bare minimum, and ensure that your replica weapon does not break any laws. It is required that you peace-bond your blades i.e.: sheathed, scabbarded, secured against accidental discharge, etc. If you need help peace-bonding your weapon, please see Ops and they will help you out.

### Alcohol Serving Policy

Keycon's Hospitality suites are required to practice "It's Good Business" smart-serving and are well informed about the rules concerning mixing alcohol and minors. The rule is: alcohol mixes, minors don't. Equally heinous is the over-serving of a person who is already intoxicated. Hospitality suites will be carefully checking badges and valid government issued Photo IDs.

If a Hospitality suite has been found directly serving alcohol to a minor or is found over-serving a patron, that Hospitality suite will be shut down immediately and for the duration of the Convention.

### **Smoking Policy**

Smoking under the City of Winnipeg Smoking Regulation By-law is allowed in designated outdoor areas and in specifically designated "smoking" private Guest Hotel Rooms. Please remember to time your smoke breaks accordingly to allow for travel time especially at peak periods on the elevators. There maybe other designated smoking areas, please check with the hosting Hotel's Front Desk for more information.

### **Appropriate Dress**

The wearing of costumes and creative apparel is strongly encouraged and celebrated at Keycon each year. However, all costumes and apparel must cover a Member's body – there can be no nudity (partial or otherwise) in the common space areas of the Hotel. Note that all publicly accessible areas in the Hotel are considered common space. The only areas not included in the common space definition are: private Guest Hotel Rooms, Meeting Rooms and Hospitality suites on the 15th Floor. Any nudity in the Meeting rooms and in Hospitality suites will only be allowed during the 18+ programming. Membership in the Convention in no way supersedes the law. Badging and proof of age will be necessary for admittance to those areas during 18+ programming areas. The Hotel has said that anyone who does not follow this dress code will be asked to leave the Hotel immediately.

### **Photography**

Photography, videotaping and/or image capturing via electronic means are not permitted in the Art Show area. To protect the safety of the Masquerade participants, we do not allow flash photography during the Masquerade. Ask permission before photographing/videotaping our Guests of Honour or anyone else at the Convention. Do

not use tripods and other bulky equipment where they might impede access to seats, doors and aisles in the event a room must be evacuated.

### **Children as Fans**

Children under 12 years old may attend with a free "Babes-In-Arms" Membership with and under the supervision of their legal parent/guardian at all times. Keycon requires that there be at least one (1) person with an Adult Membership accompanying every "Babes-In-Arms" Member.

Parents of children aged 12–17 years old who believe their children are mature enough may choose to allow their children to freely roam the Convention on their own. The parent/guardian who signs for the free-roaming child (ren) does so with the understanding that any child who excessively misbehaves or engages in inappropriate, disruptive or dangerous behaviour is subject to having their free-roaming privileges or their entire membership revoked. Some program items dealing with adult-themed topics may be closed to individuals under the age of 18. When needed, a valid government issued Photo ID will be required to access these events.

### **Liability**

Neither Keycon nor the Hotel shall be responsible for any items lost or damaged in the public areas of the Hotel, neither in the Hotel's parking lot, nor in any other parking area during attendance at Keycon. All attendees will take responsibility for their own possessions. If another attendee damages your possessions, it is your responsibility to seek recompense from them directly. If an attendee damages Hotel property, they shall be held personally accountable for their actions and be responsible for repaying any debts so incurred.

# WinSFA Senate

## Who Is WinSFA Senate?

The Winnipeg Science Fiction and Fantasy Association (WinSFA) Senate is the Board of Directors for Keycon, which provides assistance to the Co-Chairs, administers the Equity fund for Keycon, and chooses the Co-Chairs and Treasurer for Keycon. All the members of the WinSFA Senate have had either a long-term commitment to fandom in Winnipeg, or experience in the running of Keycon or other fan-run conventions. The Senate meets at least once per month. We believe this provides a continuity and stability for the convention, allowing it to continue for over 30 years where many other conventions in recent years have either foundered or shut down completely.

## WinSFA Senate Elections

Each year the WinSFA Senate holds its Annual General Meeting at Keycon, open to all convention registrants, and at this AGM (Sunday at 2-4PM in Ambassador B) we hold an "Election from the Floor". By doing this we offer an opportunity for two convention members to be elected to the Senate for a 1 year term, so they may have an opportunity to participate in Senate meetings, put forth their ideas and have a hand in the 'backstage' processes that contribute to Keycon and other fandom activities. At the end of their term they are given an opportunity to report back to the convention attendance about their experience and thoughts about the Senate and its work.

All Keycon members are encouraged to attend the AGM, participate in the election (nominate, vote, offer bribes, etc) and to encourage their friends to attend as well. Please come out to lend your voice to the process. In this aspect – as in all other regards to running Keycon, – volunteers are a vital commodity and in fact are the lifeblood of the convention and other fandom activities.

## Want to be Con Chair?

The WinSFA Senate is seeking people interested in running for the position of Con Chairs for Keycon 38 (2021) and beyond. Available on request is a copy of the relevant portion of the Constitution, which gives details on the obligations and responsibilities of running Keycon.

Please be aware that to apply, the Senate would require from you a letter with the names of the two prospective Co-chairs, as well as their signatures and current contact information for each candidate. This must be received by an active member of the WinSFA Senate or by any of the current (36 / 2019) Con-Chairs by the end of Closing Ceremonies on Sunday afternoon. (However, to give you more time to plan, plot, dream and scheme, if you find that circumstances find you tracking us down during the Dead Dog, well, that's okay too.)

Many thanks to all Keycon registrants, and we look forward to seeing everyone in our extended fandom family enjoying Keycon.

## 15th Floor Map

### 1500 - The Grease Trap

(Friday and Saturday only)

The Grease Trap is a roadside bar that offers a slight reprieve from the wasteland outside. The owner is a young raider with a love of cooking. She may miss the thrill of the attack and the rush of the road; but she revels in the excitement of interesting clientele that stop by. It is suggested you don't insult her cooking though, as she is quite good with a thunderstick. Stop by to hear some stories from the tellers, fill up on guzzoline or fix your rig, enjoy a hot meal or cold drink, and escape from the fury of the road gangs and the outside world, if only for a bit.

### 1500 - Keycon 2020

(Sunday Night Only)

2020: Come chill, eat snacks and talk about next year's plans with the chairs of 2020. We will have memberships for sale and prizes to be won! Night gathers and our watch will begin. Five Apples.

### 1502 - Keyhole - Official Consuite

We are the Cave of Caerbannog and our mascot is a bunny with nasty, big, pointy teeth and a nasty streak a mile wide.

### 1504 - Medieval Knights

Shhh... don't wake the one who slumbers. Join us. Surrender yourself and step into our 11th century castle hall, filled with honor, bravery and tasty morsels to tempt you. We have complete healthy meals or snacks to satisfy the smallest fairy to the biggest giant. For your pleasure, we serve adult and virgin drinks to chill out with. If you think you are brave enough, enter our 50/50 (proceeds to paediatric cancer infusion pumps). Royal dinner is Sunday evening. A full dinner, fit for any king or queen. (Pre-order in suite for guaranteed plate). Join us. If you dare...

### 1506 - Tomodachi Cardboard Carnival

Come one! Come all! To the cardboard carnival! Come and play the day away with an assortment of games of all kinds. Test your skills at the target range, or maybe your luck with a sting pull. Why not test both with the jelly bean jar? With an assortment of games changed over the weekend, you'll be able to come back again and again. By yourself, or with a friend to see who gets the best score. Most games are free to play, with a few that cost a quarter.

### 1508 - Winnipeg Anime Club

Back again to fulfil all your anime delights . Open all convention. Come get your anime fix here.

### 1510 - Operations

Open all convention long. Come here if you need some help or just need to use the facilities. A safe, secure, judgement free zone.

### 1512 - Bear's Den Reading Room

Nestled amongst the Carefully Controlled Chaos of the 15th floor (Hospitality Floor) is a small haven of peace and quiet. The Bear's Den Reading Room offers 5 tables - 75 sq ft of display space for trilogies, sets of 4, 5, 6 books and longer.

On the floor beneath these tables you'll find several boxes of the Bear's Beautifully Brilliant Buck-a-Book Bargain Bonanza - okay, call it the loony-bin. Look a little closer and you'll also find a box of DVDs. All being offered at prices well below what you'll find at any used bookshop - but that's what you've come to expect from the ol' Bear, right?

So, drop in, sit a spell, browse the wares. Chat. I'll even have some soda cans available.

### 1516 - The Dandy Lion

Do you enjoy live and recorded SF/F related music? Do you like to sing along with others? How about quiet conversations in a comfy medieval inn? Do you want or need a source of gluten-free oatmeal, smoothies, soups, and snacks? If "yes" is your answer to any of these then The Dandy Lion is the place for you!

We are a group of friends who love sharing music. "Filk" is the folk/rock music of science fiction, fantasy, and fandom. Our suite offers live concerts, sing-alongs, jam sessions, and recorded music for you to enjoy. We also offer one-dollar gluten-free food, coffee, tea, snacks, and smoothies throughout the day. We will be serving all day breakfast with oatmeal with lots of fruit choices as well as soup or chili for lunch. Buy a Dandy Lion coffee mug for \$5 and have free coffee, tea, or smoothies the rest of the Con! Check out our silent auction too. We'd love to meet you!
